BINH DUONG NEW CITY

● WRV Expo 2024 is being held in Vietnam for the first time, with the aim of bringing modern waste treatment and recycling technology and solutions to domestic businesses, thereby contributing to the improvement of environmental issues not only in Vietnam but also globally, in the direction of a circular economy.

The event is a perfect venue for Vietnamese enterprises to meet and network, allowing them to explore breakthroughs and new prospects with leading global solution providers in the waste collection, recycling, resource recovery and sustainable sectors.

**WASTE AND
RECYCLING**
VIETNAM EXPO 2024

WHY SHOULD YOU JOIN WRV 2024?

This is a great and ideal platform that helps businesses:

Find a solution to recycle the amount of waste that businesses emit to turn them into input materials in order to save costs & minimize harmful effects on the environment

Find advanced technology & equipment to help upgrade waste treatment lines from worldwide exhibitors

03

Exchange opportunities, and meet with thousands of customers and partners in many different industries

04

Promote trade networks between exhibitors and visitors

05

Update the latest trend in the use of renewable energy through specialized conferences and seminars

EXHIBITOR PROFILE

- Waste treatment plant
- Testing/ Analysis
- Consulting, Engineering & Services
- Waste collection
- Waste treatment machine
- Waste sorting machine
- Consumable/ Safety
- Waste water machine
- Waste water supplies
- Waste water treatment
- Supply water treatment
- Chemical
- Monitoring equipment/ handset
- Renewable energy
- Bio energy
- Waste to energy
- Recycle material
- Recycle solution
- Sustainable material
- Sustainable building
- Sustainable solution
- Air Quality/Odours/ Noise
- Green finance
- Green economy/ Community
- Training and Education
- Other

VISITOR PROFILE

- Government
- Association/ Organization
- Industrial Zone
- Key Project Investor
- Contractor
- Waste treatment service
- Water treatment service
- Green energy
- Material
- Engineering & Services
- Sourcing company
- Oil & Gas
- Turnkey project
- Testing/ Quality Control
- Manufacturer
- Consulting
- Finance
- Research/Institute
- Other

BINH DUONG INVESTMENT

DATA

International Network and Local Understanding is the main key of WTC Binh Duong New City
