RECYCLING
VIETNAM EXPO**

Waste and Recycling Vietnam Confex is the ultimate gathering of waste management and resource recovery professionals in Vietnam with a premium government-to-business and business-to-business conference and targeted networking events hosted alongside an exhibition packed with many local and international suppliers

WHY SHOULD YOU JOIN WRV CONFEX?

This is a great and ideal platform that helps businesses:

Featuring over 2 conference stages: summit and technical innovations. The Waste and Recycling Vietnam Confex is the most content program for the waste and resource recovery sector

Ultimate platform for exclusive access to the latest technology, information and trends, to hear from industry experts and network with your peers

Enhance the networking opportunities through many targeted roundtable opportunities

SPOTLIGHT ON ATTENDANCE

Exhibitor Profile

- Waste treatment plant
- Testing/ Analysis
- Consulting, Engineering & Services
- Waste collection
- Waste treatment machine
- Waste sorting machine
- Consumable/ Safety
- Waste water machine
- Waste water supplies
- Waste water treatment
- Supply water treatment
- Chemical
- Monitoring equipment/ handset
- Renewable energy
- Bio energy
- Waste to energy
- Recycle material
- Recycle solution
- Sustainable material
- Sustainable building
- Sustainable solution
- Air Quality/Odours/ Noise
- Green finance
- Green economy/ Community
- Training and Education
- Other

Vistor Profile

- Government
- Association/ Organization
- Industrial Zone
- Key Project Investor
- Contractor
- Waste treatment service
- Water treatment service
- Green energy
- Material
- Engineering & Services
- Sourcing company
- Oil & Gas
- Turnkey project
- Testing/ Quality Control
- Manufacturer
- Consulting
- Finance
- Research/Institute
- Other
